

Yordas Group Office Opening February 7th 2019

Come and join us for the official opening of our Hamilton Office on Thursday 7th February 2019.

To celebrate, we are holding a one-day conference including a chance to meet our experts one-to-one to discuss your regulatory needs.

But the day doesn't stop there! Following the conference, join us for the official opening and wine reception with the Mayor of Hamilton, as well as leaders from McMaster University and local industry.

Conference Agenda

09:00 - Meet the Expert Clinic, 104 The Boardroom

13:00 - Registration, including tea and coffee, Atrium

13:00 - 17:00 - Seminars, Innovation Factory Seminar Room

13:30 - Market Access: European Union and UK

14:00 - Market Access: Asia Pacific

Alex Paul, Principal: Chemical Regulatory Services, Yordas Group

Alex is the Principal of Yordas Group's Regulatory Services division. He has over 7 years of global regulatory experience in the fields of chemicals management, environment and human health. Alex has been instrumental in expanding the Group's network of Partners to verify legal requirements, facilitate local representation and enable the submission of chemical notifications globally.

14:30 - Hot Topic: Nanomaterials

Neil Hunt, Senior Regulatory Consultant, Yordas Group

With a PhD in organometallic chemistry, Neil worked in industry as a development and scale-up chemist for many years before completing a Masters in Environmental Management and Consultancy. Since joining Yordas, Neil leads the chemical exposure team and provides the technical proficiency for a number of EU funded projects investigating the exposure and risk arising from the use of engineered nanomaterials.

15:00 - Tea & Coffee, Atrium

15:15 - Hot Topic: The Circular Economy and Chemicals of Concern

15:45 - Think you are Compliant? 5 Common Pitfalls

Sandra Meijer, Director: Product Stewardship, Yordas Group

Sandra is a recognised expert on chemicals management and product stewardship. Through her work with Automotive, aerospace and retail clients she has developed extensive knowledge on how global chemicals regulations impact on supply chains. Over the last 10 years, she has built up Yordas Group's highly regarded Product Stewardship services package which includes the Yordas Hive suite of regulatory compliance tools for industry.

16:20 - Building an Innovation Ecosystem

Panel: Jonathan Lutwyche (Yordas), David Carter (Innovation Factory), Gina Succi (Westhill Innovation)

17:00 - 19:00 - Official Launch and Drinks Reception, Atrium
